

PITTCat+ My Discoveries pittcatplus.pitt.edu

My Discoveries is a PITTCat+ tool that allows you to save lists of items, assign tags or keywords to them, and to rate them. You can create as many lists as you like, and you can make these lists “sharable” or keep them private.

To get started with My Discoveries:

1. Create Account/Log in: Click on the My Discoveries button in the upper right hand part of the screen. Choose a user name and password, and provide an email address (so we can send your password if you forget it). No other data is taken and your email is not visible to any other user.

With My Discoveries you can:

Add Tags: Find the item you want to tag, then click on the link 'save or tag' to add tag words that you find useful to describe the item. To make multiple word tags, use quotes: "United States". To add multiple tags separate them by commas e.g.: nursing, ethics.
