The Millstein Library, dedicated on May 5, 1995 in memory of Fanny K. Millstein, houses the University of Pittsburgh at Greensburg's library collection and administrative offices. The library facility includes a collection of print and non-print volumes, computer and digital media labs, rooms for study, reading and instruction.

The Millstein Library often receives inquiries regarding memorial contributions and donations. Many people wish to donate a book or other item to honor the memory of a family member, friend or business associate. Memorials start at \$25 and are tax deductible. The library collects information in all subject areas, reflecting the needs of an undergraduate institution. Donors may designate a subject area for contributions or may wish to help fund the Joan Chambers Children's Literature Collection or the Carl F. Poke Media Collection.

Another option includes a donation to the Friends of the Millstein Library, which supports a number of library related initiatives on campus including coffee and tea to support students studying during final exams and a \$500 Scholarship to a graduating Pitt Greensburg senior who has been accepted into a program for the study of library or information science.

If you wish to make a memorial donation to the Millstein Library, please complete the attached form and return it with your check to the Library. Thank you for your generosity.
